GOLDEN NUGGET ONLINE CASINO NOW AVAILABLE IN NEW JERSEY

GoldenNuggetCasino.com Approved for Full Launch

WHAT: Golden Nugget Atlantic City announced today that it has received the final approval to transition its online gaming site, GoldenNuggetCasino.com, from a soft launch phase to a full launch. Players can now enjoy their favorite casino games from any location in New Jersey 24-hours a day, seven days a week.

GAMES: GoldenNuggetCasino.com will offer the highest number of online games in New Jersey with more than 77 online slots, video poker and table games from Amaya, Bally Technologies, IGT and SHFL Entertainment. Games will include favorite slot machines from traditional casinos as well as games not yet currently available on the casino floor.

PAYMENTS: Golden Nugget offers the largest number of payment methods in New Jersey for players to fund their online casino account or withdraw their winnings.

In addition to Visa, MasterCard, ACH, Bank Transfers, Personal Checks and Cash at the Cage, Golden Nugget is the first online casino to offer a prepaid card, allowing the easiest and safest way for a patron to manage their funds.

For gaming purposes, Golden Nugget Prepaid cardholders can instantly transfer funds to and from their GoldenNuggetCasino.com gaming account. For non-gaming purposes, which runs on the Discover® network, cardholders can make cash withdrawals (including ATM) or purchases within or outside the Golden Nugget property for travel, dining, hotel and everywhere Discover is accepted.

Golden Nugget cardholders can prefund their accounts online, through their mobile phone and tablet or load funds in person at the casino. Golden Nugget customers will also enjoy the benefit of instant cash outs when completing their online gaming session. Golden Nugget Prepaid cards are FDIC insured with the same consumer protections made available to debit cards.

To apply for a card, visit goldennugget.mycardplace.com and click "Get a Card." Players can instantly fund, activate and use funds to play. The physical card will be mailed to the players address on file within 10-14 days.

HOW TO PLAY: Players can simply log on to GoldenNuggetCasino.com and complete the registration form. When signing up, guests will have the opportunity to receive a \$10 Free Play Welcome Offer by entering the promotional code 10FREE on the registration page. Please see site for specific terms & conditions.

Players can use both PC and Mac computers, with mobile devices and tablets coming in the near future.

NEXT: In January, Golden Nugget will launch its poker website GoldenNuggetPoker.com as well as both casino and poker mobile applications, available on iOS and Android smartphones and tablets.
