LANDRY'S RESTAURANTS, INC. ANNOUNCES PRICING OF ADDITIONAL \$47.0 MILLION OF SENIOR SECURED NOTES

HOUSTON, Texas (April 23, 2010) – Landry's Restaurants, Inc. (NYSE: "LNY") ("Landry's" or the "Company") today announced that it has priced an offering of an additional \$47.0 million aggregate principal amount of 11 5/8% senior secured notes due 2015 (the "Additional Notes"). The Additional Notes will yield net proceeds to the Company of approximately \$49.8 million. The offering of the Additional Notes was led by Jefferies & Company, Inc., as sole book-running manager.

The Company completed an offering of \$406.5 million aggregate principal amount of 11 5/8% senior secured notes due 2015 (the "Initial Notes") on November 30, 2009. The Additional Notes have the same terms and will be part of the same series as the Initial Notes, including being secured and guaranteed by certain of the Company's subsidiaries. The closing of the sale of the Additional Notes is expected to occur on April 28, 2010.

The Additional Notes are being offered only to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the "Securities Act") and outside the United States pursuant to Regulation S under the Securities Act.

The Company plans to use a portion of the net proceeds of the Additional Notes to finance the acquisition of all of the stock of The Oceanaire, Inc. ("Oceanaire") in accordance with a plan of reorganization submitted by the unsecured creditors of Oceanaire in the U.S. Bankruptcy court. This plan provided for the sale of all of the stock of Oceanaire pursuant to an auction process after the Company submitted a stalking horse bid of \$23.6 million and entered into a stock purchase agreement with Oceanaire. The auction concluded on April 13, 2010, and the Company was the successful bidder. Confirmation of the plan is scheduled for April 26, 2010. If the plan is confirmed, the Company expects to close the purchase of Oceanaire's stock shortly thereafter.

The remaining net proceeds, or all of the net proceeds in the event that the acquisition of Oceanaire is not consummated, will be used to repay existing revolver balances and for general corporate purposes.

The Company and certain of the Company's subsidiaries also entered into an amendment to its \$235.6 million Second Amended and Restated Credit Agreement (the "Credit Agreement") dated November 30, 2009. The amendment (a) allows for the issuance of the Additional Notes and (b) subject to compliance with size and specific financial covenants, allows acquisitions by the Company and its restricted subsidiaries of entities located in the United States.

The Additional Notes have not been registered under the Federal Securities Act of 1933, as amended, or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state laws.

This press release shall not constitute an offer to sell or a solicitation of an offer to purchase any of these securities, and shall not constitute an offer, solicitation or sale in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful. This press release is being issued pursuant to and in accordance with Rule 135c under the Securities Act.
