

### **The Golden Nugget Introduces The Sportsbook**

*With one of the largest offerings by bet types across all sports and innovative betting features, The Sportsbook is New Jersey's premier venue for sports enthusiasts and bettors*

**ATLANTIC CITY, NJ—August 31, 2018—**[The Golden Nugget Casino, Hotel & Marina](#) celebrates the official grand opening of its newest casino-level addition, The Sportsbook, today. Located in the casino's former Poker Room and delivering competitive sports betting, The Sportsbook is redefining sports betting standards in New Jersey.

Golden Nugget will offer an innovative boost bonus feature where patrons can build their own parlays using true odds, the more selections on combo bets, the higher the boost bonus on winnings. On top of this they will provide attractive odds on pre-match and live betting, an early cash out option, and the ability to buy points and teasers, with more innovative features to follow.

The 2500-square-foot space features five video walls, more than 50 TVs, nine betting kiosks, four betting cashiers, and seating for 100, including 16 lounge chairs. The Sportsbook was unveiled today after being announced earlier this month when Golden Nugget began taking bets at a temporary booth.

The Golden Nugget has not only created an incredible new venue with The Sportsbook, it's also bringing sports betting to more bars and lounges on the property. With some of the first self-service betting kiosks in Atlantic City, sports events now broadcasting in Rush and Bar46, and mobile sports betting coming this fall, guests will have maximum ways to watch, bet, and win.

"The Sportsbook is our take on New Jersey sports betting, and we've made sure it offers an unparalleled experience," says Tom Pohlman, General Manager of the Golden Nugget Atlantic City. "Our guests will enjoy the excitement of games and matches in an immersive audio visual experience."

The casino launched the enhanced sports betting experience just in time for the NFL season and Labor Day Weekend.

“There couldn’t be a better time for The Sportsbook’s debut,” says Pohlman. “Just in time for one of the busiest weekends of the year, players will feel like they are watching their favorite sporting event live from the comfort of the most luxurious setting New Jersey has to offer.”
